

December 2005

For your 2005 submission, the State of Idaho is requesting the latitude and longitude coordinates for your site(s). When your Tier II's are completed, please name your file and e-mail them, with **TIER 2 Submission** in the subject line, as an attachment to tier2@bhs.idaho.gov. To name your file, please use the following format: **2005-County ID-Facility**

1) The year you are reporting 2) The Idaho Transportation Department county identifier available on our web page at <http://www.bhs.idaho.gov/agency/ops/tier2/tier22005.htm> and 3) The name of your facility. For example: 2005-1A-SafeChem and

When your electronic submission is completed, use either the "create electronic file", or "create complete paper report" button. These will ensure all the information required by the State of Idaho is included.

If you elect not to file electronically, please mail your **State of Idaho** submission on a floppy disk, or a paper copy to:

Idaho Bureau of Homeland Security
ATTN: Tier II's
4040 Guard Street, Bldg. 600
Boise, ID 83705-5004

Listed on our website, you will find the information for the LEPC's in the State of Idaho. Also listed are those Fire Departments that are accepting electronic submissions for 2005 with the e-mail address for submissions.

Thank you for your continuing efforts in making Idaho a safe place to live.
